Professional Regulation

The Division of Professional Regulation (Pro Reg) is within the Department of State.

The mission of Pro Reg is to ensure the protection of the public's health, safety and welfare, by providing administrative and investigative services that serve the citizens of Delaware, professional licensees, license applicants, other state and national agencies and private organizations. Pro Reg regulates 53 professions, including many in health care.

The [Pro Reg website](#) provides information regarding an individual's licensing status—whether it is active, inactive, or suspended.

Concerns regarding the information reported by Pro Reg to the BCC may be reviewed by going to the Pro Reg website. If a concern still exists, you can [contact Pro Reg](#).
